

Abaco Systems Conditions of Sale

The sale or supply of any products and/or services by Abaco Systems, Inc. or its subsidiary, including 4DSP ("Abaco") to the customer ("Customer") is expressly governed by the terms and conditions contained or referred to herein. Any additional or different terms and conditions set forth in Customer's purchase order or other communication are objected to and will not be binding upon Abaco unless specifically agreed to in writing by Abaco's authorized representative, provided, however, that no preprinted facility entry form shall be binding even if signed by Abaco's representative. Any order or authorization by Customer, whether written or oral, to furnish products or services or licensing of software shall constitute acceptance of these terms and conditions.

Any software (including firmware) provided hereunder shall be subject to the terms of the standard Abaco Software License Agreement accompanying such software. Such software is licensed, not sold. Any reproduction equipment provided hereunder shall be subject to the standard Abaco Preproduction Equipment User Agreement accompanying such equipment. Any product support programs provided hereunder (such as Maintenance Support or Product Lifecycle Management) shall be subject to the standard Abaco terms for such program. Such terms for such software, equipment, and programs are also at www.abaco.com/legal and are incorporated herein by reference.

1. WARRANTY

1.1 Abaco warrants to Customer that Abaco-branded products ("Abaco Products") (other than software, which is governed by the standard Abaco License Agreement) and services ("Services") sold will be free from material defects in material, workmanship and title and will materially conform to any mutually agreed upon specifications (or, if there are no such agreed specifications, the specifications provided by Abaco). If such Abaco Products or Services do not meet the foregoing warranties, and Customer promptly notifies Abaco thereof within the applicable warranty period set forth in section 1.2 below (other than for warranty of title) and returns such product to Abaco pursuant to Abaco's applicable Repair and Replacement Policy, Abaco will correct any such failure by reperforming any defective portion of the services, and, with respect to products, at its option, (i) by repairing any defective or damaged part or parts of the products, or (ii) by making available, FCA Abaco's facility or other point of shipment (Incoterms 2010) any necessary repaired or replacement parts. Inbound shipping charges to Abaco, including associated taxes, duties, tariffs, etc., shall be paid by Customer. Return (outbound) warranty repair shipping charges shall be paid by Abaco to Customer's destination. If in Abaco's reasonable judgment such repair or replacing of products or reperformance of services is not practicable, Abaco shall refund or credit monies paid by Customer for such products or services or, with respect to services, furnish without charge services in an amount essentially equal to those which, in Abaco's sole judgment, would have been required for re-performance.

1.2 The warranty period for Abaco Products shall be one (1) year from the date of shipment, except that the warranty for all replacement or repaired products shall be ninety (90) days from the date of shipment, or the termination of the warranty period with respect to the original product or part for which the replacement parts were supplied or the repairs were made during the original warranty period, if sooner. The warranty period for Services shall be ninety (90) days from the completion of the Services.

1.3 The warranties and remedies set forth herein are conditioned upon: (a) proper storage, installation, use and maintenance, and conformance with any applicable recommendations of Abaco; (b) the absence of repairs, modifications or alterations not authorized by Abaco; and (c) Customer promptly notifying Abaco of any defects and (if required), promptly making the product available for correction, and Abaco's ability to reproduce and observe the claimed defect.

1.4 Abaco warrants non-Abaco manufactured products, including but not limited to personal computers, micro drives, rotary disks, compact flash, cables and accessories, etc., only to the extent that the manufacturer's warranty allows Abaco to transfer such manufacturer's warranty to Customer. Abaco will pass through to Customer any such warranties. Customer's sole remedy for breach of such warranty shall be the remedy offered by and available from the manufacturer, if any. Abaco shall have no liability, whether in contract, tort, negligence, or otherwise, to Customer with respect to non-Abaco manufactured

products. Consumables (such as batteries, light bulbs, and the like), and failures due to consumables are excluded from all warranties.

1.5 Certain products hereunder may contain remanufactured subassemblies or parts which have been cleaned, refinished, inspected, and tested to new-product standards. The warranty for any such product will be as provided in this agreement or any applicable warranty of the third party manufacturer, if applicable.

1.6 Except as set forth in section 2 below, the preceding paragraphs set forth the exclusive remedy for all claims based on failure of, or defect in, products or services sold hereunder, whether the failure or defect arises before or during the warranty period, and whether a claim, however instituted, is based on contract, indemnity, warranty, tort (including negligence), strict liability or otherwise. Upon the expiration of the warranty period, all such liability shall terminate. **THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN, ORAL, IMPLIED OR STATUTORY. NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE SHALL APPLY. IN THE EVENT THAT ABACO IS UNABLE TO REPAIR OR REPLACE THE PRODUCT IN A TIMELY FASHION, OR ANY WARRANTY PROVIDED HEREIN OTHERWISE FAILS OF ITS ESSENTIAL PURPOSE, CUSTOMER'S RECOVERY OF ANY DAMAGE OR LOSS SHALL BE LIMITED TO THE PRICE PAID FOR THE PRODUCT.**

2. INTELLECTUAL PROPERTY

2.1 Abaco shall retain exclusive rights to its products, intellectual property rights (including copyrights, trademarks, patents and trade secrets), schematics, logic diagrams, and manufacturing processes, and to all modifications thereto funded by Customer's purchase order. Abaco shall retain ownership and does not convey, nor does Customer or Customer's final customer obtain any right, title, or interest in, software or firmware, specifications or data furnished or developed by Abaco either prior to or in the performance of Customer's order. No schematics or source code shall be furnished, unless pursuant to a separate license as agreed by Abaco. Subject to the performance of its obligations hereunder, Customer shall have a license to use Abaco's intellectual property rights only as they are embodied in the products and for no other purpose. Customer shall not modify or reverse engineer the products.

2.2 Abaco warrants that any Abaco Products sold hereunder, and any part thereof, shall be delivered free of any rightful claim of any third party for infringement of any United States patent. If promptly notified in writing and given full authority, information and assistance, Abaco shall defend, or may settle, at its expense, any suit or proceeding against Customer so far as based on a claimed infringement which would result in a breach of this warranty, and Abaco shall pay all damages and costs finally awarded therein against Customer due to such breach, other than damages and costs arising from any willful infringement by Customer after receipt of notice of the claimed infringement. Abaco shall not be responsible for any compromise or concession made by Customer without Abaco's prior written consent. In case any Abaco Products are in such suit held to constitute such an infringement and the use for the purpose intended of said products is enjoined, Abaco shall, at its expense and option, either procure for Customer the right to continue using said products, or replace same with noninfringing products, or modify same so they become noninfringing, or remove the products and refund the purchase price (less reasonable depreciation for any period of use) and any transportation costs separately paid by Customer. The foregoing states Abaco's entire liability for patent infringement.

2.3 Abaco shall have no liability under Section 2.2 above if the infringement or claim is based in whole or in part upon (a) a product not of Abaco's manufacture; (b) a product manufactured to Customer's design; (c) a modification of the product not introduced or approved in writing by Abaco; or (d) the interconnection or use of the product in combination with equipment, software or other devices not made or supplied by Abaco. As to any such product, modification, or use in such combination, Abaco assumes no liability whatsoever for patent infringement and Customer shall hold Abaco harmless against any infringement claims arising therefrom.

3. SHIPPING AND DELIVERY; TITLE

(d) partial deliveries shall be permitted.

3.3 Products shall be prepared, packed and shipped by or on behalf of Abaco in accordance with good commercial practices unless otherwise agreed by the parties. A complete packing list shall be enclosed with all shipments. 4.2 Customer shall pay a monthly late payment charge computed at the rate of 1.5%, or the maximum interest rate permitted by law, whichever is less, on any past due amount for each calendar month (or fraction thereof) that the payment is overdue, and Customer shall pay, indemnify and save Abaco harmless from any and all costs and expenses of Abaco's collections efforts including reasonable attorney's fees, and costs associated with compromises and judgments arising therefrom. 4.3 Unless provided otherwise in Abaco's quote, fifty percent (50%) of any non-recurring engineering charges ("NRE") shall be due and payable at acceptance of the purchase order or contract execution. The balance of such NRE (the "NRE Balance") shall be due and payable within thirty (30) days after completion of the NRE work. In the event of a cancellation of the NRE contract or purchase order after commencement but prior to completion of NRE work, Abaco shall be entitled to payment of a percentage of the NRE Balance equal to the percentage of NRE work completed prior to cancellation, as reasonably determined by Abaco. All NRE charges are nonrefundable.

4.4 Any requests for changes shall apply only if Abaco and Customer agree in writing on the specifications of the change and the corresponding changes to pricing and/or schedule.

4.5 If at any time Abaco determines that Customer's financial condition does not justify continued performance on the terms of payment previously agreed upon, Abaco may require full or partial payment in advance or shall be entitled to suspend work or terminate the agreement without liability therefor. In the event of the insolvency of Customer or in the event any proceeding is brought by or against Customer, voluntarily or involuntarily, under the bankruptcy or insolvency laws, Abaco shall be entitled to suspend work or terminate the agreement without liability therefor.

5. TAXES AND DUTIES

5.1 Customer shall pay, or reimburse Abaco for, the gross amount of any present or future sales, use, excise, income, value-added or other similar tax applicable to the price, sale or furnishing of

any services or products hereunder, or to their use by Abaco or Customer, or Customer shall provide Abaco with evidence of exemption acceptable to the taxing authorities.

5.2 Unless otherwise indicated on Abaco's quotation, prices quoted do not include any value-added tax (VAT), export/import duties, customs fees or brokerage fees, all of which shall be the responsibility of Customer.

6. LIMITATIONS OF LIABILITY

6.1 ABACO'S LIABILITY FOR ALL CLAIMS OF ANY KIND, WHETHER BASED ON CONTRACT, INDEMNITY, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, FAILURE OF A REMEDY TO ACCOMPLISH ITS ESSENTIAL PURPOSE, OR OTHERWISE, FOR ALL LOSSES OR DAMAGES ARISING OUT OF, CONNECTED WITH, OR RESULTING FROM THIS AGREEMENT, OR THESE TERMS AND CONDITIONS, OR FROM THE PERFORMANCE OR BREACH THEREOF, OR FROM ANY PRODUCTS OR SERVICES COVERED BY OR FURNISHED UNDER THE CONTRACT OR ANY EXTENSION OR EXPANSION THEREOF (INCLUDING REMEDIAL WARRANTY EFFORTS), SHALL, IN THE AGGREGATE, IN NO CASE EXCEED THE CONTRACT PRICE OF THE PRODUCT OR SERVICE GIVING RISE TO THE CLAIM. If so used, Abaco disclaims all liability for any damages arising as a result of the hazardous nature of the application in question, including but not limited to nuclear or environmental damage, injury or contamination, and Customer shall indemnify, hold harmless and defend Abaco, its officers, directors, employees and agents against all such liability, whether based on contract, warranty, tort (including negligence), strict liability, or any other legal theory, regardless of whether Abaco had knowledge of the possibility of such damages.
